1. C/HIC				<div></div> <p>You may want to pass the attachments to Mr. Brownman.</p> <p>They were distributed by the ARBC staff at a meeting of federal representatives on 10 Sept. Most of the meeting was devoted to a description of BINET which is the ARBC's on-line information system for controlling projects and events associated with the Bicentennial. It will also serve as an archival base. Included with the attachments is the Form that agencies are to use if they have projects or events associated with the Bicentennial. Instructions for completing the Form precede the Form. The ARBC staff is looking for participation so they can build up a sizeable data base. If you have any questions, please call.</p> <div></div> STAT
